**Coming soon!**

Coming soon for the following subjects are Progression Maps, baseline assessments and markbooks.

**GCSE**

- Business
- PE
- Statistics

**A Level**

- Maths
- Further Maths

**Vocational/BTEC**

- BTEC Tech Award Health and Social Care (first teaching September 2017)

**Reporting tools**

Each assessment has an accompanying markbook to help you track how your students are performing against expectation and to understand where any intervention may be required. The markbooks provide you with detailed insights about individual student and cohort performance, supporting you in building a comprehensive picture of progression from Year 7 to Year 11. The assessment mark boundaries also link to the Progression Scale, providing you with an easy means of reporting on progress and analysing student performance data.

**A note on Schemes of Work**

- Maths offers a 2-year and a 3-year scheme of work for both KS3 and KS4, and assessments to complement all options.
- Science offers a 2-year, 2.5-year and 3-year scheme of work for KS3 and KS4, however, assessments are available to complement the 3-year KS3 and 2-year KS4 schemes of work only.
- English offers a 2-year and a 3-year Scheme of Work for KS3. End of Topic Assessments are suitable for use with either option. The End of Year assessments were designed for the 3-year KS3 option.
- History offers a 2-year and a 3-year Scheme of Work for KS3. End of Topic Assessments are suitable for use with either option. The End of Year assessments were designed for the 3-year KS3 option.

If you would like more details about the options available, then please do get in touch with us via the Pearson Progression Services email address ([progressionscale@pearson.com](mailto:progressionscale@pearson.com)) or contact your Pearson Curriculum Support Manager.
